## PRESENTATION

# WINE GIFT BOXES WHICH GIVE A YOUTHFUL MOVE TO YOUR GIFTS!

**La Bouteille Dorée celebrated its 10th anniversary in 2024! Since 2014, we have been designing, packaging and shipping wine and champagne gifts for thousands of happy customers in France, in Europe and all over the world.**

## INDEPENDENCE

We are not linked to any group or wine estate and remain totally masters of the choice of wines and champagnes that enter our catalog, more than 1,000 to date: grand crus and prestige wines, independent winemakers' wines, wines from France, Europe and around the world, old vintages, rare grape varieties, large bottle formats.

## QUALITY

This independence gives us the freedom to choose the best wines, whether your gifts are aimed at simply curious amateurs or well-enlightened and even passionate wine lovers. We have established privileged relationships with many independent winemakers and family estates recognized for their work in France and abroad and we favor wines from organic and biodynamic agriculture.

## DESIGN AND ORIGINALITY

We completely create the wine gifts present in this catalog, from the design of the boxes and accessories to their content which allows us to offer original wine boxes that you will not find elsewhere. And what you don't find, ask us.

## SERVICE

We master logistics: storage in Paris and Bordeaux, assembly of boxes (bottles, accessories, personalized messages), delivery by carrier, by courier or by ourselves. Most of the wine gift boxes and gifts offered can be delivered in 24 hours in France, 48 to 72 hours elsewhere in Europe and even on the same day in the Paris region.
